## **PROFIT WARNING**

This announcement is made by Lifestyle China Group Limited (the “Company”, together with its subsidiaries collectively the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform shareholders of the Company (the “Shareholders”) and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2024, the Group is expected to record a loss attributable to owners of the Company of not more than RMB23.0 million as compared to a profit of RMB87.7 million for the year ended 31 December 2023. The turning from profit into loss is primarily a result of sales decline of the Group, and a decrease in share of profits of associates for the full year as cautious consumer sentiment and rational spending behavior persisted.

The Company is still in the process of finalising the annual results of the Group and the information contained in this announcement represents only a preliminary assessment by the management of the Company based on the information currently available and is not based on any figures or information which have been reviewed by the Company’s auditor. The actual results of the Group for the year ended 31 December 2024 may be different from the estimates disclosed herein.

Details of the Group’s annual results are expected to be announced on 31 March 2025. Shareholders and potential investors are advised to read the results announcement of the Company when it is published.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
